PBP Module:

1. Please wait messaging when changing Media Types

2. Added Error message when you try to select a companion field that is no longer available

Edit Rule #1 for field "zADAP" in Header "CONTACTS: ADAP"

A screenshot of a "Condition" configuration screen. At the top, it says "Condition". Below that, it says "Fire this rule when ALL of the following conditions are met." There is a dropdown menu set to "ALL". Below this, there is a section titled "What is the base value?" with a dropdown menu set to "Use Value Directly from A Companion Table". Underneath, there is a label "A field taken from a Companion Table" and a dropdown menu set to "Field". At the bottom, there is a red error message: "Previously selected field is no longer available. Please select a new field!". A mouse cursor is pointing at the "Field" dropdown menu.
