# CodySoft® April 9th, 2025 release notes

AERG Wizard:

1. View the **Scope** of all Active, Completed, and Cancelled Wizards
    a) Clicking the Eyeball icon in the Scope column shows information such as:
        i. Last updated date and time
        ii. Reference wizard
        iii. Description
        iv. PBPs selected
        v. Status of each PBP at the time of selection (e.g., New plan, Renewal, or Crosswalk)

2. **User-based permissions in Active Wizards**
    a) **End User** role
        i. Answer questions or edit responses only if she or he is assigned to the topic Area for the Question
    b) **Project Manager** role
        i. Answer questions or edit responses in any topic Area
        ii. Complete or cancel a wizard
        iii. Edit the Area assignments

3. **Additional User-based permissions**
    a) The following function is available only to users in the **Project Manager** role:
        i. Export an ANOC-EOC Rules Grid (AERG) .xlsx file for any wizard
